13. REFERENCE WEBSITES TO STUDY

Luxury Real Estate Global References:

- Brightstone (Canada) - Minimalist luxury design
- SOFLO Home Realty - Premium property showcase
- Rich Land Dubai - Interactive property exploration
- Scott Salisbury Homes - Clean, professional layout

Indian Real Estate Developers Reference:

- Sobha Limited - Premium quality positioning
- Godrej Properties - Sustainability messaging
- Lodha Group - Luxury segment focus
- Prestige Group - South India positioning

14. DEVELOPMENT TEAM RECOMMENDATIONS

- Prioritize mobile experience - 70% of real estate searches happen on mobile
- Use high-quality professional photography - Images are crucial for luxury real estate
- Implement fast loading times - Aim for less than 2 second page load
- Enable form auto-population - Make inquiry process seamless
- Create property comparison tools - Help visitors make informed decisions
- Implement live chat - Engage with visitors in real-time
- Use WhatsApp integration - Essential for India-based real estate
- Regular content updates - Blog section with market insights
- Setup Google Search Console - Track SEO performance
- Test cross-browser compatibility - Chrome, Firefox, Safari, Edge
